ITINERARY

Our driver will pick you up from your hotel, and we will begin our Private Tour by heading north out of Athens towards Delphi.
The first stop will be at the monastery of Hosios Lucas, located in a beautiful area near Distomo, before arriving at Delphi.
This ornate Byzantine-style monastery, dating back to the 11th century, is adorned with mosaics and frescoes.
After we visit the monastery, we will drive to the Archaeological site at Delphi, which includes the Temple of Apollo, the most famous Oracle of the Ancient World for more than 16 centuries, the Theater, the Stadium in which they used to host the athletic events of Pythia, the Holy Fountain of Castalia, and the Archaeological Museum. Delphi has been listed as a UNESCO World Heritage Site since 1987.
After the visit, we can enjoy a traditional lunch in the village of Delphi and make a quick stop at the scenic and traditional Town of Arachova before returning to Athens in the late afternoon.
